The purpose of this Public Hearing is to consider adopting a uniform Street Naming and Addressing (USNAS) procedure manual to perpetuate the naming and numbering system. To preserve order in the way streets are named and addresses are assigned for the delivery of both general and emergency services. Cities and Townships and County need to use the same procedural manual.

A motion was made by Bob Leifeld, seconded by Donna Otto and unanimously passed to approve the resolution to adopt the Ordinance to establish a Street Naming Ordinance.

A motion was made by Bob Leifeld, seconded by Donna Otto and unanimously passed to adjourn the Public Hearing.

Respectfully Submitted

Eunice Schiller
Hampton Township Clerk
