**AN ORDINANCE REGULATING TOWN ROAD RIGHT-OF-WAYS
AND THE IMPACTS FROM LARGE UTILITY PROJECTS
Ordinance 2014-1**

The Town Board adopted Ordinance No. 2014-1 to impose regulations on those excavating within or obstructing Town right-of-ways for the installation of utility facilities. Those proposing to undertake such work must obtain a permit from the Town, pay the applicable fees, and comply with standards regarding the work and the restoration of the right-of-ways. The ordinance also requires a permit for those undertaking a large utility project within the Town affecting its right-of-ways. The ordinance establishes a permitting process, requires submission of an application fee, escrow, and construction security, provides for a road use agreement, and imposes standards regarding the restoration of right-of-ways. A copy of the full ordinance is available at the Hastings Public Library, is posted on the Town’s website, and is available by contacting the Town Clerk.
